## Centaur Setup for Senders

---

*Centaur delivers to a vast network of media destinations, with the best price, speed, and reliability in the industry. Our platform enables simple online ordering, fast volume uploads, tracking and delivery confirmation, storage, and team collaboration. See below to get started.*

### Create Account, Upload Spots, Submit Order:

#### Create an account:

1. Sign up takes less than 5 minutes. Request a link to sign up: [cpro@centaurdelivery.com](mailto:cpro@centaurdelivery.com)

Please provide your name, phone, email, and the name of your company.

#### After signing in:

1. Click on "New Job" in the upper left corner.
2. Drag spots into the browser. Alternatively, click "Upload Video" and choose the spots.
3. Fill in the ISCI and Title (if not already correct). Fill in Advertiser and Destinations.
4. Click "Submit Order".
